## EASTER EGG HUNT RETURNS

We are egg-cited to announce that our interactive, family-friendly Easter Egg Hunt is returning for Easter 2024!

Running from March 23rd to March 30th, 10 enormous easter eggs will be hidden around Huddersfield Town Centre.

Participants will follow the map to find all 10 eggs and scan their QR codes with the LoyalFree App, once they've collected all the QR codes they can claim an egg-stra special free prize.

Stats from the LoyalFree app show that 82% of groups visit other shops and businesses, over and above those on the trail, and that 5% visit more than 10 other businesses.

The Easter Egg Hunt brings families into town and encourages them to spend local and maybe have a bite to eat, which is brilliant for our town centre economy.

## SPRING PLANTER UPDATE

Look out for the wooden planters around Huddersfield Town Centre! Last year, our Maintenance Ranger, Charlie, planted over 3000 bulbs including Tulips and Daffodils as well as an assortment of native flowers.

We are now beginning to see shoots and we are looking forward to seeing them in full bloom this March.

Huddersfield BID are proud to care for and maintain the wooden planters as part of our mission to make Huddersfield town centre an attractive place to live, visit and work.
